Dear Sir:

Petitioner, Medicure International Inc., hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of any patents that issue from Serial No. 10/411,552 and Serial No. 10/639,955 and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to Serial No. 10/411,552 and
